# 2020-21 School Development Plan

- The purpose of this meeting is to:
  - Share information about our school development plan.
  - Gather your feedback on the 2020-21 school development plan.
  - Consider the feedback gathered at this meeting in making adjustments to our 2021-22 school development plan, to be finalized in November.

# School Development Plan 101

- What is a school development plan?
- Why do schools have a school development plan?
- What is the school development planning process?
- How is the school development plan used?
- How are your child's learning needs being accommodated?

# What is a School Development Plan?

- A school development plan is a three-year action plan for a school that outlines how student learning will be improved over time. These plans are supported by school data and connected to CBE's education plan.

# What is a School Development Plan?

- This year, the school development plan has a goal in each of the following areas:
  - Literacy
  - Well-Being for Learning
  - Numeracy
- There are four main parts of each school goal in a plan:
  - Actions
  - Resources
  - Key Outcomes
  - Measures

## How Do We Develop a School Development Plan?

- Dig deeply as a staff into **school data** and **achievement results**.
- Identify an issue for whole-school focus.
- Develop an action plan to influence student learning outcomes.
- Share with school council for feedback.
- Obtain feedback reflective of student voice.

# School Data and Achievement Results

Data are drawn from:

- Report cards
- Standardized tests (PATs and Diploma Exams, current and multi-year)
- CBE Student Survey
- Alberta Education Assurance Survey
- OurSCHOOL Survey
- Measures of achievement for previous school development plans
- Other achievement data collected by teachers throughout the year

# How Are Your Child's Learning Needs Being Accommodated?

- The school development plan aligns with:
  - The Alberta Education Programs of Study
  - Personalized learning
  - The Education Plan

## School Development Plan – Literacy

- 2020-21 - Students will increase their achievement in reading comprehension through vocabulary development across disciplines.
- 2021-22 - Students will increase their achievement in reading comprehension across disciplines.
- 2022-23 - Reading comprehension across all disciplines will improve.

## School Development Plan – Well-Being for Learning (Students will demonstrate resiliency as academic learners).

- 2020-21 - They will show an increase in confidence and persistence in learning.
- 2021-22 - Students will demonstrate resiliency as academic learners. Students will show an increase in their ability to set and work toward learning goals.
- 2022-23 – Students will show an increase in their ability to work and collaborate with others.

## School Development Plan – Numeracy

- 2020-21 - Students will increase their comprehension of numeracy across the disciplines.
- 2021-22 - Students will increase their comprehension of numeracy across the disciplines.
- 2022-23 – Students will increase their comprehension of numeracy across the disciplines.

# Gathering Your Feedback

Are the SDP information and updates we share:

- Informative?
- Easy to access?
- Easy to understand?
- Shared frequently enough?

# Gathering Your Feedback

Keeping in mind that the SDP is developed with consideration for the overall student population, do you agree that:

- Your child's learning is reflected in the student goals and strategies outlined in the SDP?
- Overall student learning is reflected in the student goals and strategies outlined in the SDP?

## Gathering Your Feedback

When thinking about adjusting the SDP for next year, what other actions do you think we should take to support student literacy?

When thinking about adjusting the SDP for next year, what other actions do you think we should take to support student well-being?

## Gathering Your Feedback

Provide an example of how the SDP has had an impact on your child's learning.

## Next Steps

- Share information about student results at our October 2021 school council meeting.
- Post our updated 2021-22 school development plan to our school website by Nov. 30, 2021.

Thank you!!
